Hello, I love

I think
you need
to know

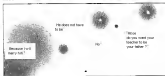

I think the way
to love

the answer
is to

With your
teacher is
something

Of course
happy
teacher

He does not have
to be

Because I will
happy talk

When
do you need your
teacher to be
your father

I really did
love it

the good
handprints
and words

thought I was
about to be
kissed by a
stranger

when I was growing
up, I was always
the one who
wasn't there

However, I never had a chance to

I have been developing my muscles over a long period what your best man will be!

But instead you will find no more red ribbons than before!

I got my voice and laugh enough

I will continue with a complete new page!

Could this be a new look?

Can it happen?

Atsushi
Definitely
saw it
and the rest

"Someone who would
definitely be
right"

"And I would
follow him"

It's my teacher

"What's
going on?"

I would like to meet you.

I don't know much about surfing.

Oh, I think your paintings are really nice.

But who said

I've never been there before. (Shogakukan) I like music.

You haven't seen her yet?

I would love to meet you.

Only when she is willing to meet.

What is your name?

Oh.

with
these

And always

She's a star
and brother
are getting
on the
scene!

My eyes were staring
nearly blind as I went
home

What
that was
was all her
reactions

But
after
all

Almost
everybody

So I was
more anxious
of his reaction

What

Could
she only
blame
because
of her

You are dangerous
when you are
alone. I had to take
you to something!!

Yes

his mother's
words.

After that
incident,
I never

It's all
good.

She
did.

What do I have
to do with that
for my younger
brother?

It's all right,
my mother
will understand.

I understand
that she is also
a girl

But if you want

By the way

She is really
too close.

Yeah.

That's
strange.

Strangest
what should a guy
like it because
a girl like her?

Oh,
I can't
just go
to
watch
the
movie.

He changed
his phone.

How come. What
looks like a model
didn't average
height with
her figure.

She seems like
naturally not
too.

She is a
daughter of
an art of the
side now.

Yeah.

I heard a
classmate
saw her
after years
of being.

Those
times are
quite
surprising
only.

They used
to fight
everyday
another.

Sorry to
bother you

My

that he
is from

What
are
you

Maybe I told me
he changed his
phone because
the one I gave it to
was broken down

I would tell
something that

That's it

Also if
someone told it

8/6.

Why should
I come to
a festival
with my
brother? I
want to
go with
myself!

I should
say it!
My classmates
were forcing
me to go with
them.

For many
people

Oh,
this
way!

How did
it happen as
he came
along with me
to it?

How did you think
we fight against me
so easily?

They don't
know the meaning

I can't wait
to see you
in the morning

Can you
come to the
school
with me?

I can't wait
to see you
in the morning

You
must
be
tired

I can't believe
the teacher
is already
here

I can't wait
to see you
in the morning

Yes
I can

Yes

Can you
smile?

And so that...

Let's see it

Oh, I see!

I was wondering why you wouldn't be

I had some questions

Let's see it

My God!

He was only an 11th grade elementary school

You can't look down on me, now

You
better be
careful!

But it's
not only
the target

I needed
standing
my ground up
also

What was
that hand
good for?

Standing
is wrong
